PUBLIC PARTICIPATION ON BUDGET PROPOSALS FOR FY 2025/2026-2027/2028 MTEF PERIOD

The County Government of West Pokot is in the process of preparing budget estimates for the Financial Year 2025/2026–2027/2028 under the Medium-Term Expenditure Framework (MTEF).

In line with Article 201(a) of the Constitution of Kenya, which emphasizes openness, accountability, and public participation in financial matters, the County Government invites all members of the public, development partners, county professionals bodies, civil society organizations, and other stakeholders to participate in the budget proposals for FY 2025/2026.

The public forums will be conducted in all County Wards on **19th and 20th February 2025**. These discussions will focus on priority areas outlined in the Approved Annual Development Plan for FY 2025/2026, which will guide the selection of projects and programs for implementation.

Details of the venues for each ward are provided in the schedule below. We encourage active participation to ensure that the County's development agenda aligns with the needs and aspirations of its residents.
